

It Will Be Epic Scavenger Hunt

September 26-27

Scavenger Hunt Rules

The goal is to take a picture of each item on the following list. Kids are encouraged to be creative. It's up to you if you want each child to take pictures of their own, or do the scavenger hunt as a group. You may take pictures of the items in the scavenger hunt in any order. You may only use your house once. Kids go with an adult. If you don't find everything, send in your pictures that you do have. When finished post the pictures in the Facebook event group or on Instagram, #itwillbeepic2020. It would be nice if you can label each picture with its corresponding number. Pictures need to be submitted by Sunday, September 27 at 5 pm. Drive thru the Hughson UMC parking lot on Sunday from 6:30-7 pm to see the results. Have Fun!
